Dear Parents/Guardians,

RE: Bus Transportation for 2017-18 After School Program

To help facilitate bus transportation for Boys & Girls Club of Cornwall/SDG's After School Programs for the 2017-18 school year, we will be partnering with Consortium de transport scolaire de l'Est (CSTE). This is intended to ease transportation planning for families with children attending francophone elementary schools and registered for one of our After School Programs. Boys & Girls Club of Cornwall/SDG will be providing your child's name, school, and After School Program location to CSTE to arrange for after school bus transportation.

Should you prefer to opt-out of the release of your child's information to CSTE please advise the Boys & Girls Club of Cornwall/SDG upon registration by completing the form below. In this case, parents/guardians are responsible for arranging alternative transportation to the program. If you do not choose to opt-out, no further action is required on your part.

We are pleased to assist should you require any further information in this regard.

Yours in youth,

Kristina Allard
